

**REZOLV  
FĂRĂ  
AJUTOR!**  
PENTRU SUPERCOPILII AUTONOMI

ACTIVITĂȚI CU  
**NUMERE**  
ȘI ALTE  
**CONCEPTE  
MATEMATICE**

**Notă către părinți**

Colecția *Rezolv fără ajutor!* este o colecție inovatoare de cărți de activități care încurajează autonomia copilului prin absența cerințelor, care au fost înlocuite de **pictograme intuitive**. Pe acestea le veți găsi pe pagina următoare.

Explicați-i copilului semnificația lor și arătați-i că, în colțul fiecărei pagini, va găsi simbolurile care îi arată ce trebuie să facă.

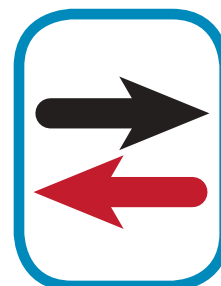

După ce i-ați explicat ce are de făcut, puteți să vă retrageți și să savurați clipele de liniște: copilul va fi fericit să lucreze singur și va deveni astfel autonom și încrezător în forțele sale!

Pictograme intuitive, care înlocuiesc enunțurile și ajută copilul să înțeleagă singur ce are de făcut pentru a rezolva sarcinile
